Here's what some customers said about us in May...

"I was very happy with Michelle, On the day it was settling she was very much under the pump and so others would contact me on behalf of her to update me, so yeah the communication felt like I could always get someone, always got answered, the Level of communication I was very happy about."

Hancock, M

"I was really impressed, Just how friendly they were, I was a expecting the worst because I had previous credit problems but they made it a very good experience, they were friendly unlike some of the major banks who sort of talk down to you."

Robinson, A

"I felt like I was handled quite personally actually talking to someone instead of a computer & for someone like me I hate automated services, even when I was dealing with Toni shave at the start she was very thorough. Karen went above and beyond."

Farmer, J

"I had a loan with you guys when you were Aussie, this time was great, fantastic couldn't ask for anything better, not an issue had perfect results throughout the whole thing, excellent service."

Dobson, S

"Thank you for all your assistance in the matter. As an ex finance guy, I am extremely impressed by your detailed email responses and the speed that the loan application has taken place. Cheers,"

Cullen, D
