Jess joined natloans in 2010 and is a Customer Support Consultant for our Finance Consultants. Since joining natloans Jess has embarked on a huge learning curve in finance. But she is always up for the challenge and enjoys facilitating smooth settlements for our clients. Jess took a moment in her day to talk to us about her role at natloans.

What is a typical day at work for you at Natloans?

"A typical day of work at Natloans for me is assisting the senior consultants & making sure our relationship with our clients continue to remain strong, although there is a lot of work a typical day also includes a lot of laughs as there is never a dull moment here."

Outside of work, what do you enjoy doing?

"I love spending time with my friends, going to the beach, eating, sleeping & most of all I can never refuse a night out."

What suggestion do you make to our clients applying for finance?

"From my short time here I suggest that clients research their finance options & be careful not to apply everywhere for finance as it only lessens your chance."

For all your finance needs, you can contact Jess at jessica@natloans.com.au or call her directly on 03 8521 4335, any time, any day.
