Hancock, M

"I was really impressed, Just how friendly they were , I was a expecting the worst because I had previous credit problems but they made it a very good experience, they were friendly unlike some of the major banks who sort of talk down to you."

Robinson, A

Mandy:

"They were great, everything was fast and quickly explained, I had little prior knowledge & she was able to give info and direct me to the best options. I find her approach very down to earth and friendly, you can ask her very honest questions and she explains everything well, her approach is very hands on."

Cullen, D

"She was just very punctual with everything, she did explain everything quite well except for the stamp duty, helped find me a car, she was really down to earth & easy to talk to which is worth the world."
