

In March's Edition of our newsletter Natloans gives you the freedom to purchase whatever you like with flexible personal loan options.

Benefits:

- ✓ Extremely flexible product
- ✓ Car loan rates instead of personal loan rates
- ✓ Daily reducing interest rates
- ✓ Fixed low interest rate

Here is how we have helped:

Scenario 1: 4 Pay Day Loan = \$17K

Natloans consolidated 4 Pay Day loans for Jason by taking security over his car. Now he has one simple payment instead of 4 each month.

Scenario 2: Short on a family holiday = \$5K

Jane wanted to take her family to Queensland for a quick holiday to see her parents but she was short by 5K! Natloans took security over her car, and she was jet setting to Queensland the following week.

Scenario 3: Dream bike for 20K = Low interest rate loans from us

Bob fell in love with a 1969 Harley Davidson. Banks offered him a high rate loan. Natloans used his car as security and he pays a lot less in repayments than what the bank had offered him.
