Natloans Team Member Profile - Karen

Karen is one of our Senior Loan Writers since May 2010.

Karen, tell us what you like the most about your role as a Senior Loan Writer at Natloans?

"I love working at Natloans, we have an awesome team!! Plus there is lots of variety, It is always so busy here. Every customer is different, and they are all great to deal with, and that's what I like most about it here, never time to get bored at all."

Outside of work, what do you enjoy doing?

"I'm a fitness nut, I love running, walking and going to the gym. Spending time with my friends and family. And of course when summer comes, going to the beach, going out to the movies, or a meal... and of course, shopping!!"

What suggestions do you have for client's applying for a loan through Natloans?

"Make sure all your information is accurate, up to date and honest. Good information provided always gets the very best result. Make sure you do your homework before you apply for a loan, don't go everywhere and hope for the best. This is not good for your credit file....."

For all your finance needs, you can contact Karen at karen@natloans.com.au or call her directly on 03 8521 4336.

"She needed info and I sent it through as soon as I possibly could, and as soon as I gave her the info it took 3 days to go through & I had the car at the end of week.

It's great I had credit issues in the past, I was a discharged part 9 bankrupt and it's given me a chance to start over. I don't know how but she pulled some strings and helped me out."
